

# Web hosting plans

Cloudey offers 3 web hosting plans: **Rain**, **Thunder** and **Tornado**.

## Rain

Rain is the entry-level plan for smaller, personal websites and blogs.

The Rain plan allows hosting of up to 3 separate websites under different domains.

## Thunder

Thunder is the mid-level plan for professional websites.

The Thunder plan allows hosting of up to 5 separate websites under different domains.

## Tornado

Tornado is the advanced plan for e-commerce and professional websites.

The Tornado plan allows hosting of up to 10 separate websites under different domains.
